NURTURING OUR FAITH

MINI-REVOLUTION– Thank you to all the leaders and helpers!

BIBLE STUDY ON WEDNESDAYS: Our Women’s Bible Study is meeting Wednesdays with prayers and praises at 9:30am. A study of 1 & 2 Corinthians will start soon. All are welcome. Contact Jody Mischnick.

PASTORAL CALL COMMITTEE -Please be in prayer for the Pastoral Call Committee as they go about the work of finding a pastor to call for St. John’s.

Head Start Backpacks - We are collecting individually packaged items for 31 children this year! We provide one bag per child each week with ten items in each bag. At times it is hard to find enough items in the grocery stores to fill this need, so please be on the look out for prepackaged items. Thank you for all your generous donations!

A First Communion notice was placed in the bulletin along with information for the service project. The final class will be on Saturday, April 1, which also is the collection deadline for personal care kits. The kits will be assembled on that date, as well as baking communion bread and preparing for Palm Sunday communion. The students will receive first communion on Maundy Thursday and the personal care kits will be presented and blessed at that service.

SERVING AT COMMUNITY TABLE

Also, if you are able to prepare a meal with others, there may be other open days. (See Alliance Community Table Facebook page.) Contact the church office if you are available to help.

PIECEMAKERS QUILTING NEWS

The Piecemakers have been slowed down by the extreme cold and illness over the last two months. We have still been able to produce 3 or 4 quilts every time we meet.

A group of quilters from Grace Lutheran Church in Lancaster, California that Jean Daugherty, Lyle Fodnes’ sister is a part of, has been sending us boxes of fabric! Sometimes the contents are quite challenging. They include stacks of quilt blocks already made, but not enough to complete a project. Our quilters have taken these and made quilt tops that are amazing! Some we just “scratch our head” and leave until someone can figure out how to use them. (Lyle is still supporting our mission!)

Our quilting time is “therapy” because we can discuss anything and feel safe, plus we always find something to laugh about. If you want to join us, you do not need to know how to sew. We have jobs that do not involve a sewing machine. We meet every Tuesday morning at 9:00.
